

WELCOME TO
FIFIELD
A GATEWAY TO
CHEQUAMEGON-NICOLET
NATIONAL FOREST

MOVRIK MEMORIAL COMMUNITY PARK

FIFIELD, located at the crossroads of State Highways 13 & 70 in Price Co. Wisconsin, is a gateway community via scenic Highway 70

through the beautiful Chequamegon-Nicolet National Forest covering about 100 sq. miles of the 152-sq. mile Township of Fifield. It contains vast forests, scenic areas, rippling brooks and streams, and numerous lakes where visitors and residents alike can enjoy hunting, trapping, fishing, camping, wildlife viewing, biking, cross country skiing, snowmobiling, horseback riding, water sports, ATV riding, and a fantastic little community park.

Movrich Memorial Community Park is located at N14022 Willow Ave., from Fifield go east on State Hwy 70, then south on Willow Ave. The park is nestled along the banks of the scenic South Fork of the Flambeau River and is known as a favored fishing, resting, and picnicking spot for area residents and visitors.

Hours are daily until 10:00 pm, but restrooms are closed from about Sept. 30 to May 15. For park information, or to reserve shelter for a fee, call the Town Hall /Clerk at: (715) 762-2500. We encourage visits to our friendly Fifield businesses while enjoying our park.

We care about your safety. Security cameras are in use to protect people and park equipment. There is no life guard on duty, so swimming is at your own risk. For park emergencies, call 911 and provide the address provided above. To report park vandalism, call Price. Co. Sheriff at: (715) 339-3011.

In the past, the river was known as a pathway for moving logs down river from the Pike Lake Area in the township through a historic logging dam to lumber mills in Fifield and beyond. Now, strolling through the park along the river where mills once stood, you might see people enjoying a variety of activities while using the park's many amenities.

Park Amenities

There are many amenities available for your use at the park including a large picnic shelter available for rent for special activities, restrooms with flush toilets, safe playground equipment installed in 2012 that is very popular with kids (adult supervision required for ages 12 and under), volleyball and

basketball courts, horseshoe pits, picnic tables, outdoor grill facilities, a rustic boat landing, fishing, food and beverage booths for community fundraisers, Fifield and National Christmas Tree Historical Markers, and benches throughout the park for watching kids play on the playground, resting, reading, or just enjoying the sound of the river as it flows over the rock dam.

History of Movrich Memorial Community Park

In 1968, Peter Movrich, then town chairman, supported efforts by the Fifield Lions Club to create a park which now carries his name. The name of the park was changed from Fifield Community Park to its current name, Movrich Memorial Community Park, after the death of its visionary in 1971. The Movrich family continues to support efforts to improve the park along with the Fifield Community Action Plan (FCAP) Committee, Friends of the Fifield Firefighters, Inc. (FFFI), and the Town of Fifield for the enjoyment of everyone. Today the park is a thriving place for community gatherings and for people passing through the area to take a break, have fun, and relax with nature along the peaceful South Fork of the Flambeau River.

Helping our Native Species

A healthy river shoreline and park area helps provide habitat (food, water, shelter, & space) for a variety of native

wildlife and plant species which in turn attracts new life to the area for people to enjoy. Interpretive panels in the park will help identify what to look for in and around the park. Look for migrating songbirds and

waterfowl, frogs, fish, turtles, insects, mammals, bald eagles patrolling the river, and a wide variety of other species. Please help us protect our wildlife and wonderful park for the enjoyment of all who visit. Thanks!
